FROM: Bill Kolender, Chairman
Integration Task Force

Dear Ed:

I would like to ask for an updated copy of the City Schools' Evaluation Services Department Report on Testing Results by District and by School. The copy we have in our files is dated September 14, 1978.

If there is no updated report at this time, I would like to ask that we be included on your mailing list to receive 22 copies when one is prepared.

Thank you.

Sincerely,

Bill
