Dear Chief Kolender:

As I indicated in today's telephone conversation, I have been notified by Ms. Barbara Sklar that she is unable to continue with the Integration Task Force as a Monitor. Unfortunately, the pressure of her job has increased and she no longer has the time to devote to the Monitor duties to which she was assigned.

I have written to Ms. Sklar to express my appreciation and thanks for her services to the Task Force, and am attaching a copy of this letter for your files.

As per your direction, I am putting Ms. Mavis Macfarlane on my Task Force to replace Ms. Sklar as a Monitor. Attached is an application from Ms. Macfarlane.

Sincerely,

Philip del Campo
