The Honorable Pete Wilson
Governor, State of California
State Capitol
Sacramento, CA 95814

Dear Governor Wilson:

It is with great pleasure that I heartily recommend Rolland C. Starn to you for appointment to the Agriculture Labor Relations Board (ALRB). Mr. Starn's many years of experience in California agriculture, business, local and state government equips him with the tools to be a very effective member of the ALRB.

I have known Rolland for 8 years, working together as members of the California State Association of Counties (CSAC). We have developed an excellent rapport and working relationship during this time.

Rolland is well acquainted with the difficulties faced by those in the political field as a result of his decade of experience as a member of the Stanislaus County Board of Supervisors. At the same time, he has the practical experience of owning and operating farms here in California. His work as an officer of CSAC has given him a state-wide perspective that few can match.

Please give serious consideration to his application and, of course, feel free to call me with any questions you may have.

Sincerely,

Leon L. Williams
Supervisor, Fourth District
