Dear Mrs. Gilliam:

I was deeply saddened to learn of the passing of Judge Gilliam. He was a pioneer in the legal field and a role model to all who knew him.

Because of his significant contributions to our community, I asked the Board of Supervisors to adjourn the February 7, 2001 meeting in his memory. Enclosed is a certificate for you as a remembrance.

On behalf of the San Diego County Board of Supervisors, please accept my condolences to you and your family.

Sincerely,

RON ROBERTS
