Dear Rebecca,

We have just returned from the beautiful service for Earl today. What a magnificent tribute to such an extraordinary man - and one of our favorite people - What a sad day for all when he died - but the glorious celebration of his life today helped ease every one's pain. What lovely memories we all have - and the admiration for you & your devotion to Earl is an indelible thought in our minds - God Bless you & Know you are in our prayers & how much we loved and cared for you & Earl - J.

Hope things are sunny again soon!

Our Love,

Jean & Gordon Thompson
