Mr. Karl Sanders

Spring Valley, CA 91978

Dear Mr. Sanders:

Earlier this year you contacted me with concerns over a waste water treatment plant application (case # P88-080) and a possible conflict of interest on the part of Tecate Sponsor Group Chairman Paul Jones.

Both Chairman Bailey and I requested that the Department of Planning and Land Use investigate this matter. The investigation has determined that only Mr. Hom had a conflict of interest with respect to the waste water treatment plant, and he abstained from voting on this matter.

I am also aware that the treatment plant proposal has been denied by both the Planning and Environmental Review Board and by the County Planning Commission. I am told that Mr. Hom plans to appeal the Commission's decision to the Board of Supervisors. Rest assured that I will carefully consider the arguments of all interested parties before making my decision on this matter.

If you have further questions or concerns you would like to share, please contact Colleen Carnevale of my staff. Ms. Carnevale reviews all planning and land use issues for my office. Thank you again, for your time and for your involvement.

Sincerely,

Leon L. Williams
