# SAN DIEGO PLAN FOR RACIAL INTEGRATION
## SUMMARY OF PROGRAMS--1978-79

### Elementary Schools

| Program | Schools |
|---|---|
| 1. Intercultural Language Magnet<br>Helps students to learn a foreign language. Much of the instruction is conducted in Spanish. | Oak Park<br>Longfellow<br>Horton |
| 2. Fundamental Magnet<br>Stresses the three R's, formal structure, homework, discipline, and a dress code. | Webster<br>Rolando Park<br>Foster |
| 3. Individualized Instruction Magnet<br>Provides a teaching method that focuses on the individual student. | Benchley |
| 4. University Lab School Magnet<br>A program, operated with San Diego State University as a training center for teachers, which will provide an exemplary setting for instruction of pupils. | Valencia Park |
| 5. Bilingual Magnet<br>A program which emphasizes multicultural education and provides instruction in both Spanish and English. | Lowell<br>Spreckels |
| 6. Math/Science Magnet<br>A program designed to further develop the academic skills and knowledge of students. | Encanto |
| 7. Career Awareness Magnet<br>A program based on the philosophy that the earlier students become aware of many career choices and their own interests the better prepared they will be to make sound career decisions. | Lindbergh |
| 8. Learning Centers<br>Students spend one day per week in a school setting which stresses special learning activities along with basic skills instruction. | Grantville<br>Chollas<br>Carver<br>Stockton |
| 9. Other Magnet Programs<br>Silver Gate and Fremont were previously designated as model schools. The program emphasis in these schools centers around individualized instruction in an integrated setting. | Fremont<br>Silver Gate |
| 10. Pairing and Clustering<br>Students from paired or clustered school groupings are brought together to share educational experiences. | VEEP Allied School Groupings |

## Secondary Schools

| Program | Schools |
|---|---|
| 1. Science, Math, Health, Computer Magnet<br>Computer Technology courses together with a strong academic curriculum in English and social studies are stressed. | Gompers |
| 2. Urban Studies Center Magnet<br>Students explore occupations closely related to and essential in a modern urban society. | Morse |
| 3. Fundamental Magnet<br>Stresses the three R's, formal structure, homework, discipline, and a dress code. | O'Farrell |
| 4. Intercultural Language Magnet<br>A program designed to teach students to speak a foreign language. Much of the instruction is conducted in the foreign language. | Memorial |
| 5. Career High School<br>This program is designed to equip each participant with a salable occupational skill in such areas as urban agriculture, construction and industry, applied marketing occupations, and food service careers. | Wright Brothers |
| 6. Bilingual Centers<br>The Bilingual Centers provide an integrated bilingual learning environment in which students develop second-language skills. | Collier<br>Point Loma |
| 7. Secondary Instructional Exchange<br>A program in which students from allied schools are brought together into a single group for common instructional programs for a portion of the school day throughout the school year. | O'Farrell<br>Hale<br>Other schools to be designated |

## Elementary and Secondary Schools

| | |
|---|---|
| 1. Voluntary Ethnic Enrollment Program (VEEP)<br>Any pupil enrolled in a school in which the minority or majority student population is overrepresented may enroll in an allied school in which that same minority or majority student population is underrepresented. | Districtwide |
| 2. Race/Human Relations Program<br>All district schools and offices will develop an individual plan for race/human relations based on identified needs. | Districtwide |
| 3. Oral Communication Instruction<br>Stresses oral communication instruction of students in grades K-12. | Districtwide |
| 4. Creative and Performing Arts Magnet<br>Children in grades 4-12 have a choice to cultivate their artistic ability and appreciation while simultaneously continuing a strong instructional program in basic skills. Program is located in Balboa Park and at Roosevelt Junior High. | Creative and Performing Arts Magnet School |
| 5. Alternative Magnet<br>Emphasizes an open-education philosophy. | Muir |
