Dear Leon,

I imagine your surprised to hear from me. However, I didn't want to miss the opportunity of congratulating you on your victory. I am receiving the S.D. Union here in Monterey, & was happy to see your picture & the election news.

I'll look you up in Jan. as I'll be stationed on the staff of Commandant 11th Naval District.

Looks like congratulations
Are the order of the day,
So here they are plus wishes
For the best
along life's way!

Warmest personal regards.

Steff
