Dear Leon:

On behalf of all of us here at the KOGO Stations let me extend sincere congratulations on your coming through on top in yesterday's election. I am sure you know it goes without saying that whatever help we can be in the months ahead you have only to say the word.

I hope the excellent relationship we have enjoyed over the past will continue as before, and we wish you every success in your future deliberations.

I only wish we could have arranged to pay you more money which you so justly deserve.

Again, congratulations from all of us.

Best regards.

Sincerely,
