Dear Ms. Lacy:

Thank you for your letter regarding the H.G. Fenton Material Company's proposal for a rock quarry at Sycamore Ridge. I appreciate your taking the time to write and express your positive view of Fenton as a corporate neighbor.

It is always a pleasure to read a letter such a yours; evidence that communities and business can work together as partners rather than as antagonists. That spirit of cooperation is needed more than ever as our County continues to grow in population and in demand for services.

Again, I thank you for taking the time to share your point of view. If my staff or I may be of assistance to you in the future, please don't hesitate to write.

Sincerely,

Leon L. Williams
