# THE TRUTH ABOUT CANDIDATES FOR CITY COUNCIL NO. 4

MR. ART AKERS
The Challenger

The incumbent

- The incumbent was NOT "elected" by the people; he was "appointed" to fill a vacancy on the Council. He, therefore does not represent you!
- The incumbent has the support of the Black Panthers and other militants. He is, himself, a member of the left-wing CDC and has their support in this election.
- The incument is holding 2 DIFFERENT government jobs at the same time! YOUR tax dollars are paying him a DOUBLE-SALARY! He holds a $15,000-a-year "War on Poverty" position, while spending 2 days, plus, each week to sit on the San Diego City Council. . . .drawing a City Councilman's salary. AND HE RECEIVES TRAVEL AND CAR ALLOWANCES FROM BOTH JOBS.

MR. AKERS: is a local home owner whose college background includes studies in: Business Administration, Mathematics and Electrical Engineering... He is currently Director of Applications in the Security Systems Division of North American Rockwell, Inc. He has had 20 years of experience in business and management. **candidate for City Council #4 BELIEVES:**

- **We must solidly support the law and our law enforcement officers in order to maintain stability and to protect people and property.**

**We would be creating a fertile soil for political corruption if we changed to a ward-type system of electing city councilmen. Under our present system, councilmen are responsible to voters of the entire city . . . and that is how it should be.**

- **We've simply got to stop wasting taxpayers' money on projects whose benefits to the entire city are doubtful. A councilman should be very careful how he votes to spend your tax dollars.**

REMEMBER: ON NOV. 4 ALL THE VOTERS IN THE ENTIRE CITY VOTE ON ALL THE CITY COUNCIL RACES..
