PUPIL ETHNIC CENSUS REPORT, 1980-81

December 9, 1980

The Pupil Ethnic Census Report is an annual district report. This year marks the sixteenth year that this report has been prepared.

The format follows that of previous years in order to provide for ease of analysis of data from year to year. Study of the census reveals the following information:

1. The number of Hispanic pupils increased by 1,003.
2. The number of White pupils declined by 4,413.
3. The number of Black pupils declined by 43.
4. The number of Asian pupils increased by 2,517.
5. The number of Alaskan/Indian pupils increased by 6.
6. The district majority/minority percentages are now 55.4%/44.6%.
7. There are 303 more White pupils attending the 23 minority-isolated schools than last year.
8. The number of minority pupils attending racially isolated schools declined by 99.
9. Fourteen (14) of the minority-isolated schools show an increase in the enrollment of White pupils.
10. Four (4) of the minority-isolated schools show a decline in enrollment of White pupils.
11. Five (5) of the minority-isolated schools show about the same enrollment of White pupils as last year.
