Dear Mr. McCann:

Thank you for your recent letter regarding the proposed alignments for the Mission Valley East Light Rail Transportation. I appreciate your taking the time to express your opinion.

Your concerns over the Montezuma Road and El Cajon Boulevard route are being reviewed. I will be personally touring all of the proposed alignments along with my fellow Metropolitan Transit Development Board (MTDB) members later this month in order to obtain a more complete understanding of the impacts which will result from each of the proposals.

Please be assured that I will listen carefully to all points of view when this item is brought before MTDB. Thank you, again, for sending me your thoughts on this issue. If my staff or I may be of assistance to you in the future, do not hesitate to contact me.

Sincerely,

Leon L. Williams
