OFFICE OF CITY COUNCIL

Dear Leon,

The enclosed letter from Joseph A. Sinclitico, who is the Dean of Law at the University of San Diego, is self-explanatory. We have organized a new group in San Diego called the San Diego Industrial Relations Research Association. Temporary officers have been elected, by-laws adopted, and our first full-scale business meeting will be on June 12, 1969.

I personally wish to sponsor you for membership and am also enclosing an application for membership along with a ticket for our first meeting. To attend the meeting and become a member of the chapter, the total cost will be $15.00. We will have many distinguished guests, including a former Secretary of Labor, W. Willard Wirtz, who will be our principal speaker on the 12th.

Under separate cover, you will receive copies of our minutes, by-laws, and other pertinent information concerning this organization.

We'll look forward to seeing you on the 12th.

Sincerely yours,

Al J. Baffone
