The meeting was held at Neighborhood House hosted by Dr. Howard Carey.

Ed Fletcher, Assistant Superintendent, briefly talked about the new school district re-organization. He introduced several key school district personnel involved in the school integration efforts:

Ms. Lottie Hess - Monitoring

Lottie Hess gave a presentation on the monitoring program of the City Schools. There is a site monitoring guide available. Monitoring will begin mid-January. Two-three schools will be visited per week thru mid-May. Immediately following the review each school will be provided with a report and immediate corrective action will take place. Lottie indicated that reports would be available to the committee or its members.

The Chicano Federation, Urban League, Taxpayers Association and the Association of University Women are groups that have volunteered individuals to be monitors. Monitoring will take two days at the elementary level, three days at the secondary level following one day of training. Thursday, January 6 is the first day of training. January 11 and January 13 are subsequent training dates.

Two committee members stressed the importance of spending sufficient time on details of conducting interviews and the need for accuracy. Profiles will be available to the ITF team.

Ms. McDonald, Chairperson, ITF, asked for committee reports:

BILINGUAL COMMITTEE - Kenji Ima reported on committee plans and described how the three members of the committee will take on specific parts. There are six questions that the committee will investigate.
