Mr. Leon Williams
Councilman
Administration Building
City of San Diego, California

Dear Leon,

Just a short note to congratulate you on your announced candidacy for City Council.

I want you to know that I am personally supporting you for re-election. However, being an employee representative for City employees might prove detrimental to your campaign in certain circles.

In the meantime, I will attempt to line up some campaign workers for you.

Let me hear from you.

Sincerely,

Bob
