Helen R. Cobb, Councilman
Cobb For Council Headquarters
3650 Claremont Drive, Suite 2
San Diego, California

Dear Helen:

It was a pleasure having lunch with you last Monday and if you plan to be at the Keep America Beautiful Conference at the Catamaran next Thursday and Friday, we shall meet again.

Meanwhile good luck on the campaign. Enclosed find a token contribution for yourself and for Mr. Williams. If you will kindly forward his, we will appreciate it. I am going to a San Diego meeting tonight and I may be able to line up some support for Williams in his district.

Sincere and dedicated city elected officials are difficult to find---we certainly want to keep those that we have.

Sincerely,

Hy

Hy Weitzman
