FORM 730 [ms-0398.003.011.006]

Statement of Economic Interests

For Designated Employees

Important Notice to Filers: The Political Reform Act is intended to prevent conflicts of interests by requiring public officials such as yourself to disclose financial interests which could foreseeably cause conflicts. In addition, as a public official, you may be required to disqualify yourself from making, participating in, or attempting to influence any governmental decision which will affect your financial interests, including those you are required to report on this Statement. The Fair Political Practices Commission's *Guide to the Political Reform Act: California's Conflict of Interest Law for Public Officials* explains what a conflict of interest is, and when disqualification is required by law. Failure to file your Statement before the filing deadline may result in penalties including but not limited to late fines.
