Dear Norm:

I am enclosing herewith Sol Price's check for $50 and my check for $100 as contributions to the Leon Williams Campaign.

I have not received notice of any meetings and I am wondering whether we are planning to have any meetings where names are passed out to be called.

With reference to your letter of July 10, 1969, enclosing the list of people, I do not have any suggestions. I think it is a good list and cannot think of any names to add to it.

Very truly yours,

Paul A. Peterson
