City Administration Offices
San Diego, California 92101

Dear Leon:

To date we have not received a bill for your ad in the Mexican-American newspaper. If I recall correctly, it was placed by Miller.

The key to room 201 (the building on First Avenue) has not been returned, and it is my understanding that this same Miller has the key. I have asked the building manager to return photos to me when the key is returned, as he evidently does not have a duplicate.

Sincerely,

Gerald F. Champ
