lucille recht Goldman 976 point street - san diego

June 23, 1969

Dear Leon,

Now that your campaign for election has become official with a formal announcement of a committee, I'd like to offer my help in any capacity considered valuable.

I am now president of the Point Loma Democratic Club and I know that the entire membership is behind you and willing to work and contribute, in an unofficial way when necessary.

Just give us the word.

Best regards,

Lucy
