Dear Marie:

SUBJECT: LEON WILLIAMS CAMPAIGN

Attached are Xerox copies of checks which I am holding from contributors to the Leon Williams Campaign Fund.

Inasmuch as these are significant contributions, someone should prepare a letter of thanks for Leon to sign to each of these people. As we discussed on the telephone, this money was collected and specified for a fund-raising mailer which should go out within the next two weeks.

The check from Dr. John Welsh must be endorsed by a designated Leon Williams Campaign Chairman.

Sincerely,
