Honorable Leon Williams,
City Councilman,
City Admin. Bldg.,
San Diego, Calif.

RECEIVED
MAY 21 1969
Office of
CITY COUNCIL

Dear Leon:

I am sorry to be so late in responding to your letter of April 29, but I have been busy with my many involvements in civic and other affairs, political, fraternal, religious, etc.

I am writing to you personally so you will know my personal attitude and my limitations in just what I can do.

Primarily I am enthusiastically for your re-election to the city council. As one who has participated actively in political campaigns I know what is involved in them. Realizing what commitments I have at present, and also the state of my physical condition, etc., I cannot do such things as walking precincts, etc., and I do not have financial resources to make large contributions.

I am using such influence as I may have to urge all my contacts to vote for you or help you in other ways.

You may use my name on your committee and I shall do all I can, within my limitations, to help your election.

Sincerely yours,

Paul

Paul F. Dugan
