Dear Mr. Williams:

As a candidate for City office in the September 21 primary election, you previously were furnished by the office of the City Clerk certain documents, including the City Charter and the preliminary City Budget for the fiscal year 1972, a list of various City officials and certain other items of information.

We in City management want to do everything possible to assure that candidates for the offices of Mayor and City Council have sufficient opportunity to study and evaluate important City documents.

With that in mind, enclosed please find:

- The approved Capital Improvements Program for fiscal 1972 with projected Capital Improvements covering a six-year period
- The supplement to the Capital Improvements Program for fiscal 1972
- The Progress Guide and General Plan for the City of San Diego, including text, map and recent revisions
- The City Council Policy Manual
- A City of San Diego telephone directory

If there is further information which you would find of interest, or if we in City management can answer any questions or discuss any matters with you, please consider this an invitation to call on this office at any time.

Very truly yours,
