Dear Leon,

It has been brought to my attention than an error was made in the Sept. '71 issue of the Election Extra re the listing of your name.

On page 8, in the "Your Choice" section, your name was listed last instead of

first as it should have been. We regret the error which slipped in during the rush of putting the newspaper together.

Election Extra editor, Mary Freske, joins me in sending our sincere apologies.

Best -
Lucia Smalheer,
President
