NATIONAL WOMEN'S POLITICAL CAUCUS OF SAN DIEGO COUNTY

NAME: Leon Williams PHONE: 236-6644

CANDIDATE FOR: Board of Supervisors

CAMPAIGN ADDRESS: 225 Broadway, Suite 1309 San Diego, Calif. 92101

IN YOUR OWN WORDS, PLEASE TELL US YOUR POSITION ON THE FOLLOWING ISSUES. PROVIDE A BRIEF STATEMENT OF YOUR RATIONALE.

1) The Equal Rights Amendment I have strongly supported this measure and have also supported a City Council resolution in support of equal rights for men and women.

2) Abortion/Reproductive Rights/Public Funding of Abortions

I favor freedom of choice. While I don't personally favor abortions, I believe affected individuals should be able to make their own choice in this area.

3) Publicly Funded Child Care

I strongly support this service. The only way for some individuals to get out of the welfare rut and get a job is to find care for their children.

4) Affirmative Action for Women

Suppot and have worked for this goal at the city.

5) Non-discrimination based on race, age, sexual orientation, religion, sex, ethnic origin, marital status, socio-economic status, disability

Total support.

MUST BE RETURNED NO LATER THAN MARCH 25, 1982 TO:

Shirley Culver
4967 Santa Cruz
San Diego, CA 92107

NATIONAL WOMEN'S POLITICAL CAUCUS OF SAN DIEGO COUNTY

Supplemental Questions

*Please answer only those questions that apply to your candidacy.

Federal Office

1) What is your position on the Federal Human Life Amendment/Statue? Please explain.

2) What is your position on the Family Protection Act? Please Explain.

3) Which governmental programs do you see as a priority for funding?

4) What is your stance on budget cuts to welfare programs for women, children and the disabled? Where does this fall in the list of your priorities for funding?

State Office

1) Would you support an extension of comparable worth legislation to the private sector? Please explain.

State Office(continued)

2) Which State governmental programs do you see as a priority for funding?

3) What is your stance on budget cuts to welfare programs for women, children and the disabled? Where does this fall in the list of your priorities for funding?

4) If Title VII and IX are gutted at the federal level, what will you do to assure Affirfmative Action pressure on the private sector?

5) Will you support legislation for a State ERA? Explain.

County Board of Supervisors

1) Do you support the decreasing of funds to the Department of Social Services which provides services to protect children and support families in crisis? Explain.

No, I believe the family unit is the most important building block in our society and this program helps to preserve the family.

2) Do you support increasing the county's efforts to provide employee sponsored child care? Would you support the county providing funds for the Childcare Resource Center and subsidized childcare for low income families? Please explain.

Yes. I have toured this facility and found it efficient and effective.

County Board of Supervisors(continued)

3) Would you support a comparable worth study and the implementation of recommended remedies for the County of San Diego? Please explain.

Yes, I believe such a study would provide interesting results for future consideration.
