1. WHAT TRAINING OR EXPERIENCE QUALIFIES YOU FOR THIS OFFICE?

2. SPECIFICALLY, WHAT DO YOU EXPECT TO ACCOMPLISH DURING YOUR TERM?

1. Thirteen years on the City Council, representing a district which had been neglected for decades, has given me unique insights into the governmental process. Now that many of those past problems have been corrected, I'd like to take that experience and apply it to the County Board of Supervisors.

2. I plan to work in five major areas:

1. Provision of more jobs through economic development; thereby fighting the high rate of unemployment.

2. Consolidation of city and county services, where applicable.

3. Development of further training programs aimed at qualifying welfare recipients for regular, full-time jobs.

4. Planned and adequate housing supply.

5. Improvements in the criminal justice system.
