SUBCOMMITTEE ON LABOR STANDARDS

GUIDELINES FOR TESTIMONY

Submission of Testimony

In order to comply with requests from the Government Printing Office, please submit all testimony typed double-spaced. A written statement for insertion in the hearing record should be of reasonable length (eight to ten pages). Fifty (50) copies of the statement should be provided.

Length of Presentation

In order to allow sufficient time for questions from Subcommittee Members, the oral presentation should not exceed ten minutes. One way to comply with this limitation is to briefly summarize the written statement. However, if you read the written statement in its entirety, only the oral presentation will be printed in the hearing record.
