MEMORANDUM

November 23, 1966

To: Board Members and Friends
Southeast Unified Cultural Activities Association, Inc.

From: Glenn Allison, Chairman pro tem

As most of you know the project was returned from the regional office as not being recommended for funding principally because the refunding of local projects would have exceeded the anticipated budget and therefore, no new projects were being considered.

At our budget panel hearing, we were recommended for substantial funds to operate the project. With the current degree of uncertainty about what priority will be used to fund next year's projects and with the possibility that many projects will not now be refunded, there is reason to consider that by a rewording and re-emphasis, we still may be able to resubmit our project.

There will be a meeting of the Board of Directors on SUNDAY, NOVEMBER 27th at 1:00 p.m. in our proposed center, 2958 MARKET STREET. (Archie Moore's). Please try to be prompt since there will be a matinee of TAMBOURINES TO GLORY that same afternoon. Incidently, you are cordially invited to attend this performance which is being sponsored by the Urban League Little Theatre to raise funds for the deficit recently incurred, but more important to demonstrate to the community the versatility and potential of this location as a performing arts center.

Looking forward to seeing you then.
