MAR 7 1967

COUNTY OF SAN DIEGO

INTER-DEPARTMENTAL CORRESPONDENCE

DATE March 6, 1967

To: Departments currently participating in NYC Program

From: Chief Administrative Officer (6)

Subject: Neighborhood Youth Corps In-Kind Reports

The NYC office has indicated that there have been problems in obtaining the monthly In-Kind Service Reports from county departments. A supply of blank forms has been enclosed for your use; it is requested that these reports be completed and returned directly to the NYC office (852 - 8th Ave.,) San Diego 92101) each month.

It is our hope that the NYC program has been and will continue to be successful, both from the standpoint of benefiting the individual enrollee as well as in assisting your department's operation. An expanded program is anticipated this summer in which your continued participation is urged. Details will be forthcoming.
