SUBJECT: Evaluation Reports

TO: Chairman, CAP Delegate Agency Boards
Project Directors

FROM: Jack Katz, Executive Director
Economic Opportunity Commission

Evaluation reports on CAP delegate agencies will be discussed with the boards of directors and project directors of all CAP delegate agencies. The purpose of the discussion will be to make the CAP delegate agencies aware of the strengths and weaknesses of their programs as viewed by the evaluation consultants employed by the Regional Office, Office of Economic Opportunity.

These reports are confidential working papers used by the Regional Office to assist it in providing an independent evaluation of programs funded under provisions of Title II A Economic Opportunity Act. By agreement between Regional OEO and the EOC, pertinent information can be given to the delegate agency by the EOC staff; however, the original report is regarded as a working paper and cannot be released at this time.

Mr. George McKinney, EOC Program Development Director, will contact each agency to arrange a meeting with the Board and project directors to discuss the report with your agency.

cc: Charles E. Reid, Chairman
Economic Opportunity Commission
