OTHER TERMS AND CONDITIONS OF RENTAL CONTRACT

Budget hereby rents to the undersigned Renter the vehicle described on the reverse side hereof and the Renter hereby rents said vehicle from Budget, subject to all of the terms and conditions contained herein, including those on the reverse side hereof which Renter acknowledges that he has read.

1. Renter acknowledges that vehicle is the property of Budget and was received by Renter in good mechanical conditions. Customer will return vehicle to Budget, together with all tires, tools, accessories and equipment, in the same condition as when received, ordinary wear and tear excepted, on the date specified on the reverse side hereof, or sooner if demanded by Budget.

2. Renter agrees to pay Budget on demand all time and mileage, service, minimum or other charges to be entered on the reverse side hereof, at the rates specified in the current rate schedules of Budget in effect on the date this contract was entered into. Subject to the provisions of paragraph 3 hereof, Renter is responsible for and will reimburse Budget on demand for all loss or damage of whatsoever kind or nature to vehicle, or the tires, tools, accessories and equipment therein, or thereon, but Renter's liability for such loss or damage shall not exceed One Hundred ($100.00) Dollars unless vehicle was used, operated or driven in violation of any of the provisions of this Rental Contract. The person signing this Contract and any other person, firm or corporation to whom the person so signing directs that charges be billed shall each be deemed a Renter hereunder and shall be jointly and severally liable for the payment of all monies due or to become due by reason of this Contract.

3. For provisions relating to collision damage waiver, see the reverse side hereof.

4. The operation, use or driving of vehicle is prohibited, and Renter agrees that vehicle shall not be used, operated or driven:

(a) For the transportation of persons or property for hire, or in any manner which may be interpreted as operating a public conveyance;

(b) In any race, speed test or contest;

(c) For the purpose of towing or propelling any trailer or other vehicle;

(d) By Renter or any other person while under the influence of intoxicants or narcotics;

(e) In any instance where the speedometer of vehicle has been tampered with or disconnected;

(f) By any person except Renter, an Additional Driver shown on the reverse side hereof, or if a qualified licensed driver over the age of 21, and provided Renter's permission be first obtained, by a member of Renter's immediate family, Renter's employer, an employee of Renter, a fellow employee of Renter, or any partner or executive officer of Renter; and

(g) By any person who has given Budget a fictitious, false or fraudulent name or address.

The foregoing restrictions are cumulative and each of them shall apply to every use, operation or driving of vehicle.

5. Neither Renter nor any driver of vehicle shall in any event be deemed the agent, servant or employee of Budget, in any manner or for any purpose whatsoever.

6. Budget shall not be liable for loss or damage to any property kept, left, stored, located in or upon or transported by Renter, or any other person in or upon vehicle either before or after the return thereof to Budget, whether or not said loss or damage was caused by or related to the negligence of Budget, its officers, agents or employees. Renter hereby assumes all risk of such loss or damage and waives all claims against Budget by reason thereof, and Renter hereby agrees to hold Budget harmless from, and to defend and indemnify Budget against all claims or suits based upon or arising out of such loss or damage.

7. Notwithstanding anything herein contained to the contrary, Renter shall be solely liable and responsible for all fines, penalties and forfeitures imposed for parking or traffic violations while vehicle is held, used, operated or driven pursuant to this Rental Contract, and Renter agrees to pay to Budget all monies, including reasonable attorneys' fees and costs which may be incurred by Budget on account of the imposition of any such fines, penalties or forfeitures.

8. It shall be conclusively presumed that the number of miles which vehicle shall have been operated pursuant to this Rental Contract shall be the number of miles recorded by the standard mileage recording device attached to the vehicle by the manufacturer thereof.

9. Vehicle is covered by an automobile liability insurance policy, a copy of which is available for inspection at the main offices of Budget. Said policy provides coverage and limits of liability at least equal to the liability coverage and limits of liability required of the operator to satisfy this State's financial responsibility motor vehicle laws. Renter, being an assured under said policy, agrees to comply with and to be bound by all of the terms, conditions, limitations and restrictions of said policy, which are hereby incorporated by reference herein and made a part of this Rental Contract as fully as if set forth at length including those terms, conditions, limitations and restrictions of which no specific mention is made herein. It is a requirement of said policy that Renter or the driver of the vehicle must immediately report any accident, collision or impact to Budget at the location where vehicle was delivered to Renter, and must immediately deliver to Budget at said location or to the insurer, every demand, notice, summons, process, pleading or proceeding received by Renter or the driver of vehicle or the representative of either in connection with any accident or occurrence involving vehicle. Said policy further requires Renter and/or driver shall co-operate with Budget and the insurer in the investigation and defense of any claim or suit, and requires that neither shall do anything after loss to prejudice the insurer's rights with respect to investigation, defense, settlement or subrogation. The insurance coverage referred to in this paragraph 9 does not apply:

(a) To any obligation for which Renter or the driver of vehicle, or any insurance carrier as his insurer, may be held liable under any workmen's compensation, unemployment compensation, or disability benefits law, or under any similar law; or

(b) To any liability assumed by Renter or by any driver of vehicle under any contract of whatsoever nature; or

(c) While vehicle is used or operated in any manner as a public or livery conveyance; or

(d) To injury to or destruction of property owned by, rented to, in charge of or transported by Renter or the driver; or

(e) To injury to the insured's employee or a fellow employee; or

(f) While said vehicle is used, driven or operated in violation of the provisions of paragraph 4. (a),(b),(c),(f) or (g) hereof.

In states where permitted by law or regulation (and to the extent so permitted) the liability coverage described above may be afforded, subject to the same terms, conditions, restrictions and limitations hereinabove described under a bond or self-insurance arrangement in lieu of or in combination with such policy.

10. If vehicle has been rented by any person who has given to Budget a false or a fictitious name, address or business affiliation, or if Renter fails or refuses to return vehicle to Budget within 48 hours following demand upon Renter by Budget (which demand shall be deemed delivered to Renter by the deposit of a registered or certified letter in any U.S. mail box addressed to either the residence or business address of Renter, as shown on the reverse side hereof) Renter shall be conclusively presumed to be in unlawful possession of said vehicle and under such circumstances, Renter hereby releases and discharges Budget from any and all claims, suits or demands of every kind or nature whatsoever arising out of or relating to any alleged false arrest, false imprisonment, false detention, defamation of character, assault, malicious prosecution, trespass or invasion of civil rights arising out of or relating to the issuance of a warrant for the arrest of Renter, or any person operating vehicle, or arising out of or relating to any other action by Budget, including but not limited to self-help, which Budget deems necessary in order to effect the return of vehicle, or the collection of any monies due Budget pursuant to the terms of the Rental Contract.

11. In the event that Renter violates any of the terms or conditions of this Rental Contract, Renter shall pay to Budget, on demand, all expenses incurred by Budget in connection with the enforcement of any of the terms, conditions or provisions of this Contract by court action, including reasonable attorneys' fees.

12. The terms and conditions contained in this Rental Contract may not be modified or waived except by written agreement executed by a duly authorized officer of Budget.
