INTER-DEPT. MEMO. Form C565

COUNTY OF SAN DIEGO

INTER-DEPARTMENTAL CORRESPONDENCE

DATE June ~~17~~ 11, 1967

TO: San Diego County Civil Service Commission

FROM: Leon L. Williams

SUBJECT: Request for extension of leave without pay until July 1, ~~1968~~ 1969

COPY

Since January 1, 1966 I have been on leave without pay while Director of the Neighborhood Youth Corps here in the County.

The Neighborhood Youth Corps is created under Title I-B of the Economic Opportunity Act of 1964. It is run on a project basis with grants to local governments or private non-profit organizations for each project. In San Diego County; it is the San Diego Urban League Inc.

The project we are now administering ends in November 1968, however we expect to have another one funded by that time.

My request for the extension of leave is based on the same considerations as the original request:

1. The project nature of the N.Y.C. Program which makes it of a temporary nature and of probable short duration, and

2. It is a program of real significance to the community in helping to solve some basic problems. Also that the experience at the N.Y.C. will substantially enhance my ability to function when I return to direct county service.

Leon L. Williams

I approve of and concur with this request.
