Dear Jimmie,

I hope these summer days are finding you well and relaxed.

The Greater San Diego Inner-City Games is growing rapidly! Many events and activities involving "at risk youth" are underway throughout San Diego County and we're beginning to plan for our fantastic September 17th Celebration at the Sports Arena. Thousands of young people will be requiring bus transportation from their schools and to the Arena and we are asking for your assistance in the planning and coordination of this effort.

We have met with representatives from the County Office of Education (we're sorry you were not there to provide input at that gathering) and are now planning to meet at Deputy Superintendent Frank Till's office (San Diego City Schools, Normal St.) on Tuesday, July 16, at 12:30pm. We are extending an invitation for you to join us. If you do not know of the City Schools compound on Normal St., please feel free to contact me for directions.

Thank you in advance assisting the Greater San Diego Inner-City Games. I look forward to seeing you again on the 16th.

Sincerely,

Paul Rosengard
