Dear Leon Williams

I wand to write you to let you know about the wonderful job Tony Young is doing on your staff.

I called him on many occasions and he has always found time and listens to me and gives me whatever assistance is necessary.

I called Tuesday Dec 3rd 1991 and told him I had been trying to get certified for CMS

since Aug 28th 1991. My card expired Aug 31st 1991, and without a card I can't make an appointment to go see the doctor. I had been calling the clinics where you go to get certified and to no avail. I was calling the clinics nearest to me since I ride busses. I called the clinic on Polk Ave in East San Diego, the Chicano Clinic on Logan Ave and the Comprehensive Health Center on Ocean View Blvd.

I talked to Tony Tuesday morning and he had some one from the County call me about 30 minuts later. She

made an appointment for me at 8840 Clairmont at 9:00 am Dec 4th 1991. I kept the appointment and now I am enrolled again in the CMS program. I am enrolled from 12/91 to 5/92.

I wanted to let you know what an excellent job one member of your staff is doing Tony Young and how much I appreciate the help I received.

Have a Merry Christmas and a very Happy New Year

Sincerely

Jacquelyn Meshack
