Dear Mr. Brown:

May I express my sincere thanks,on behalf of all the Brotherhood members,to you for your wonderful talk and discussion on the segregation problem facing our nation.

As I told you after your talk, you not only were very sincere but delivered your message with a high professional degree. Only through great perseverence and effort by men like you will this great tragedy come to an end. Naturally, we of the Lutheran Church strongly advocate non-segregation in our churches. If at any time you are in the La Jolla area during the Sunday worship hour, please attend our services and say hello.

Again, let me thank you from the bottom of my heart for your kind gesture in talking to our organization. You win our admiration for the clean cut man that you are and with God willing you are destined to go far in your quest for success.

May God always shower you with blessings according to your needs and according to his riches.

Very sincerely yours,

John C. Neuwirth
