In order to vote you MUST register by SEPTEMBER 10th.

CORE And Bank of America agrees

Harold Brown, the local president of CORE called a news conference on Tuesday Morning September 1, 1964 at 10:30 A.M. to release several statements in regards to the actions of CORE Mr. Brown stated that demonstrations, and pickets, had been stopped in directly through CORE some America. He stated in the news release "that the Statewide chapter of CORE are proud to announce to the State of California that there of the four goals have been met, i.e., it is clear that every bit of progress the Bank has made in the hiring of Negroes and non-white is a direct result of CORE negotiation and direct action pressure. It is clear that the 115 Negroes which the Bank hired their effort with the Bank of three months ago were pressure."

Present at this news conference were three persons that has just finished serving their one day in jail namely Alan Glasscoe, Mrs. Mildred Gustafson, and The Rev. Edgar Robinson They state that they felt fine. Four more of CORE's members were to go in for two day sentence on friday, and four others on Saturday.

It was stated that the next immediate CORE action would be to arouse the Negro Community to a more positive action, and to have a meeting with the Officials of the S.D. Zoo, as to their methods, in the various work categories at the Zoo. This news conference was in line with other CORE chapters holding similar news conference at the same time in fice other cities throughout the state.
