SAN DIEGO CITY SCHOOLS

GARFIELD INDEPENDENT LEARNING CENTER
4487 Oregon St., San Diego, CA 92116
282-7672

September 1, 1978

Dear Student:

You are invited to attend our new Garfield Independent Learning Center, a school for students in the 9th, 10th, 11th, and 12th grades.

We understand you have been on leave from your former school; therefore, we are offering you an opportunity to try a school that is quite different, one which will provide you with the program and the help you need to earn that important high school diploma.

Garfield Independent Learning Center is an accredited four-year high school which has been provided by our Board of Education. This school offers students an alternative form of education which is totally individualized. Each student works at his/her own pace and credits are granted whenever completed. The program is an ongoing one (no semesters) making it possible for you to complete work faster if you choose a full program. All your records will be evaluated very carefully and if you have failed much work, you need only to make up the part you failed.

We will offer T.V. Instruction in our new T.V. studio, a full Graphic Arts program, Art, Ceramics, Industrial Arts (Metal Shop, Woodshop, Autoshop), Child Care, Reading, English, Math, Social Studies, Science, Business Education, Consumer Education, Library Media, Driver Education, Driver Training and Parenting.

This description has been brief, but if you would like to find out more about enrolling in the Center, just call the District Counselor at your former school and request a transfer to our new Garfield Independent Learning Center at 4487 Oregon Street. The school enrollment will be ethnically balanced with students coming from all over the city.

Hoping to see you soon!

Dr. Georgianna K. Galas
