Thank you . . .

for allowing us to help

your student here. . .

At GARFIELD Independent Learning

Center

Counselor's card

placed here

We sincerely look forward to the pleasure of helping you help your student in every way.

Because we are known as an "Alternative High School," we work just a little harder to give your student the individualized help that is so important.

Enclosed is my card. Please telephone, or better still, stop in whenever I can be of assistance to you.

Thanks again. . . for letting us help you help your student earn that much needed diploma.
