P.O. Box 1511

Dear George:

In accordance with our meeting a few days ago in your restaurant, I called A. B. Polinsky about the Coca-Cola bill. He was lukewarm and said he would check it out and call me back. Hope he still will.

Also, I was to furnish you and Hartwell with a list of contributors who may be willing to help us at this time.

The list enclosed is made up, for the most part, of persons who made sizeable contributions in the past. I have not contacted any of them about this situation.

Sincerely,

LEON L. WILLIAMS
