Dear Hartwell:

As per my promise, I herewith send you copy of exact action taken by another candidate for another office as required by state law.

The circumstances seem to me to be similar to those related to Williams' campaign deficit and you may wish to proceed in like manner inasmuch as funds will need to be raised to pay honest debts.

You will, of course, wish to consult Councilman Williams. Mr. Hamilton may be willing to help on the legal but that is your decision.

I am glad also to help.

Best personal regards,

George A. Scott
