CITY OF SAN DIEGO · PLANNING DEPARTMENT

FILE NO.:

DATE: April 13, 1981

TO: The Honorable Mayor and Members of the City Council

FROM: Jack Van Cleave, Planning Director

SUBJECT: Final 1980 Census Population Data by City Council District

---

On March 31, 1981, final 1980 Census data by race and ethnic origin for the entire city was forwarded to you. At that time you were informed that the data would be tabulated for each City Council District and forwarded to you as soon as possible.

The attached report lists population by race and ethnic origin for each census tract in each City Council District.

Also attached is a table comparing the population reported in the final count with the preliminary count. While the recent City Council redistricting was based on the Preliminary Census Count, it appears that the Final Count for each City Council District is not substantially different.

The table lists the numerical deviation from the city average for each District. These deviations have not changed significantly.

Planning Director
