Type of Statement: Annual
Date Statement Due: 3/1/83
Days Late: 2
Fine: $20

Dear Mr. Williams:

According to the records of the Fair Political Practices Commission, your Statement of Economic Interests, which was due on the date indicated above, was filed late.

Government Code Section 91013 imposes a fine of $10 per day for the late filing of a Statement of Economic Interests up to a maximum of $100. However, the Commission can waive all or part of this fine if you have a good reason for filing late. If you believe your fine should be waived, please inform the Commission of your reason, in writing, within twenty (20) days so that a full or partial waiver of your fine may be considered. If not, you should remit a check or money order in the amount of the fine shown above, made payable to the "State of California," within twenty (20) days of receipt of this letter. The full amount will be deposited in the State's General Fund.

Please call me at (916) 322-6444 if you have any questions.

Sincerely,

Alice Hughes
