Attention: Alice Hughes, Documents Examiner

Dear Ms. Hughes:

In response to your letter of May 19, 1983, we are forwarding another copy of the Statement of Economic Interest, Form 721. According to Page 1 of Form 721, in the third paragraph it states that the filing period for City and County officials is January 1 to April 1. We were unaware of the March 1 deadline until a letter to all commissioners and alternates, dated 2-18-83, postmarked 2-22-83 and received in this office on 3-1-83.

Considering the April 1 deadline, the document was mailed on the same date it was signed, as you will note was 2-28-83, which should have given it ample time to get to you.

We regret the misunderstanding and respectfully request that the fine be removed from the record, not merely waived, with notification to the California Coastal Commission.

Sincerely,

LEON L. WILLIAMS
