Would prefer and eager to a letter about Lucille and not relative to be offered. Plenty great lives

Dear Mr. Scott:

Per our conversation, I have enclosed copy of draft letter for your review, and copy of mailing list.

As soon as I receive final draft with your signature, I will ask Leon to sign and return to Lucille's office for mailing.

Also, the Transportation & Landuse Committe will consider the proposal to establish the Southeast Economic Development Corp. Your testimony before the Committee which is chaired by Leon would prove most effective, I'm sure (8:30 a.m., Rm. 2000) Oct 1st.

O.K. - I'll be there - See

Finally, Leon will address the Chamber's Local Government Advisory Committee, 7:30 A.M. Thursday, Oct. 2nd in the Chamber's Board Rm. The subject: S.E.D.C. Leon is attempting to involve the private sector as much as possible. Your attending this meeting with Leon would be appreciated. Best wishes, William Jones.

I'll be there O.K.
