Pers

Greetings:

Once again we invite you to join with us in recognizing three individuals for their profound interest in community affairs.

In many ways, although different in their approach, these men we will honor resemble the great leaders of labor who served this same community.

Labor's Memorial Award Dinner is staged each year to honor the memory of those who have so ably served labor. It is fitting that we pause in the rush of events and reverently pay tribute to our deceased brothers and sisters.

We ask you to join with us in recognizing these former unionists, as well as help us recognize the outstanding contributions made by individuals and organizations outside the field of organized labor that have done so much to improve the community of which we are so proud to be a part.

Therefore, we salute on this occasion, Dr. Edward Aguirre, Professor of Industrial Arts, San Diego State College; Mr. Thomas Johnson, President Local Chapter NAACP, and Attorney Herbert J. Solomon, Regional Chairman, National Conference of Christians and Jews, as the 1968 Recipients of Labor's Memorial Award.

Labors Community Services Committee urges you to join with us on October 18th. Your support will enable this Committee to render assistance to those who are less fortunate or down on their luck. We will be looking forward to your joining us on this occasion.

Sincerely,

R. R. Richardson
