To the members of the member churches of the S.D. County Council

Dear Friends,

A great need has arised in our community, and we would like to call your attention to it.

On the night of December 18, 1968, the Community Fellowship Congregational Church in Southeast San Diego was devastated by fire. The building was a total loss, and inadequately covered by insurance. All contents of the building were completely lost, and nothing was covered by insurance.

In order to help alleviate this need, a grpeup has been formed called the "Restoration Program Committee" with the main objective of helping to alleviate this need, and, if there is enough response, other churches who may meet with similar disaster.

In order to kick-off this program, a dinner is to be held on Sunday, February 9, at 6:00 p.m. in the Fellowship Hall of Central Christian Church, 201 Fir St. in downtown San Diego. An excellent dinner will be provided for a $2.50 donation. The guest speaker for the evening will be Mr. Leon L. Williams, San Diego City Councilman and Director of the Neighborhood Youth Corps.

We urge that these key people from your congregation attend and find out more about this program: Minister, Board Chair-

man, Youth Leaders, and Social Action Chairman and their wives. It is vital that these people be there to represent your church, and a great time is in store for all. Please fill in the enclosed reservation card and return it as soon as possible.

Join with us in the true spirit of giving ..... remember, this could have been your church.

Thank you,

Bill Thomason
