Elliott Lee Perry

I Elliott Perry was in the process of taking a bath when my brother Robert Grims and Kathey Grims informed me that the dog pound man was parked on the corner in front of my house. Then i went and put on some slacks went into the living room and saw (one) police man and dog pound m n then one more policeman was called by the first policeman ~~was~~/ then ~~another~~ the three walked up on my property started talking. While another policeman drove up in front of my house then the four men and dog-man came up to my front dooor, then started insisting that I bring my dog up to them so that they may see him. Then I told my brother Robert and Kathey and Linda to go into the house, while they were going into the house Linda was the last one in and while she was closeing the door oneof the policeman pulled the screen door open then Linda pulled the screen door closed. While I was still outside the house, one policeman pulled me to theside and told me to just stay there, by then the other policeman tried to pull Linda out of the house, then another came in and got her and grabbed her by the neck while the other one was pulling her arm at the same time, by this time I was starting to walk by the officer when he grabbed my neck and I ducked and slipped out of this armhole. I walked past the other officers and went into the house, after I got into the house I pulled my sister Linda from the officer, I got the dog from the hallway .....kept hold of him and watched my sister Linda get dragged over the house getting ..... into her eyes then the policeman got hold of her and handcuffed her and dragged her to the police car. Then, two more policeman werein the house telling me that I was under arrest.

Then I started asking them what they were arrresting me for while I had the dog in my hands the police told me to come on "OK" "I'm going to leave the house when you leave man", then he got his billyclub out and I asked him what he was going to do with the club and he said that he eas going to beat the brains out of me and take me to jail too, while he was raising it at us I said" bright man I'm gonna go ,then they started backing out of the house while i was walking toward the door with the dog while he was still barking.

Then I put the dog in the catchers truck and went and to get into the other car then we drove off and drove down Amerbury Street turned the corner then the men stopped and talked to each other in the other car that they put my sister in. He came back and asked me What you gonna do man? I hen asked him what did he mean, then I asked him where he was taking me, he said, to jail then I said I don't know what I'm gonna do man, He then told his partner "I'm gonna handcuff him man couse I don't know what he's gonna do The he told me to get out of the car, when I did they handcuffed me, then put me back into the car, Then we drove down to the police station, the other police took my sister Linda downtown when she started choking and gagging and grasping ofr ari and vomiting then the supervieor ca,e and asked "what was wrong with her and the other officer said "O man she's just faking, then the officer that arrested me came over and asked what's wrong with her, I don't know man, the he said What has she been doing has she been dropping reds? I said I don'y know, I don't think so, the he said If she has been dropping reds she might be having withdrawl and it might kill her. Then the other officer started to pull Linda out of the' car he then showed me back in the door and clesed the door, He started to gey in his car, the one that arrested ,e and the officer what you gonna do with her are you toing to take her to the hospital? The one that had her said

Hell no I'm gonna take her over th the rest room and wash her mouth out then he drove to the bathroom and then the sargent called one of their policewoman and told her to go over ther ~~had~~ and help that gal wash out her mouth, then they took ~~and~~ me and her to jail and then they took Linda to the hospital.

SAN DIEGO STATE UNIVERSITY 1897

went into the house to get the dog, another police said " I said for you to hurry up and bring the damn dog to the door or we will come in and get him as Robert was bringing the dog to the door Linda was coming into the house..... one of the police grabbed the screen door pulling it, Linda fircely got it closed then a police grabbed Robert, told him to just stay put. Then one of the police grabbed the screen door and pulled it back while the other two police pushed their way into the house saying ..... bitch pushed me ..... and couch 3 feet from the door while grabbing .... Linda one police pulling Linda by her arm another by her legs and twisting her legs and arms to also ..... in her face by the [redacted] this time Elliath was on his way into the house to get the dog.... the.... way. While he was going to get the dog a police took out his billy club with one hand and grabbed Elliath by the neck and said " you are under arrest for interfering. so come on lets go or will use this on you." By this time they had hand cuffed Iinda and .... her the police car Elliath then took ..... put him in the dog catcher truck and went and got into their police cars.

When the police left the house with me and Linda in one car and my brother Elliath in another police car they first took us and parked on Carthwaragh Street off of 61st. Then one police said to the other we should take them up to the park. Then we left and went down to the jail. When we first got there they started ..... and [redacted] gagging in the police car the officer then told me either clean up his car or else he was going to give me another charge. I didn't say they calling names and saying smart remarks I still said nothing. Then they finally took me to the [redacted] hospital when we got there one of the police helped me into the chair and left me [redacted] some doctors came
