PHYSICIAN'S ORDERS

Physician: Please use ball point pen. The copies of your order must be legible. Begin writing orders in the next unused section. Your orders must be signed. DO NOT WRITE IN SHADED AREAS.

Nursing: Remove copies of orders by tearing along perforation at bottom of last used section. Imprint patient identification at right edge of strip on both copies after they are removed and write unit location underneath imprint. Check drugs needed, then send Pharmacy copy to the Pharmacy, whether or not, medications are ordered. Retain Nursing copy.

ANOTHER GENERICALLY EQUIVALENT BRAND IDENTICAL IN DOSAGE AND CONTENTS OF ACTIVE INGREDIENT(S) MAY BE DISPENSED AND ADMINISTERED UNLESS A DRUG IS SPECIFIED BY (CIRCLING)
