Dear Ms. Moore:

Please accept this small token of thanks for all your hard work on the Serra Mesa Health and Safety Fair in March of this year. The organization and implementation of an event of that size and complexity takes an extraordinary amount of time and energy, and this community is fortunate to have an individual of your calibre who is willing to give so much of herself for the benefit of others.

We are all enriched by efforts such as those you gave in making the Health and Safety Fair a reality. This certificate is presented to tell you how much I appreciate that kind of effort.

Sincerely,

Leon L. Williams
Supervisor, Fourth District
